November Issue 2025

Meet Mrs. Sayler! She was raised on her family's farm (Barton Belgium's) in Altamont, where her love of horses started. She was good at breaking and showing colts, barrel racing, driving a wagon including a six hitch. Mrs. Sayler enjoys learning new things and has a great love for history and traveling. She helped break down the Berlin Wall. Katy's passion is in the performing arts. She is classically trained however she would sing show tunes for her mother, and Patsy Cline for her dad. After winning a Western Christen

recording contract she was able to travel and perform all over the world. Mrs. Sayler and her family were living in North Dakota where she owned and operated a successful seamstress & tailoring business. Fun fact that within that 14 years span she alternated over 5000 wedding dresses. The Sayler's moved to Vernal to take care of her parents and ended up staying.

CALENDAR: We're so lucky to have her at WHA!

WHY I ♥ WHA

White House Academy is a place that is safe for my kids to learn and grow. I love that all the teachers are passionate about teaching, they know my kids and are praying for them and helping them grow in amazing ways.

-Tawna Karren
