White House ACADEMY

Spirit Week!

Why I LOVE White House Academy...

I started working at W.H.A in October 2025. The 1st day I came through the door I felt a difference. But as the students started coming in, I wondered if it was because I was new, but it didn't take me very long to see that what I was feeling was different. The kids are taught to be respectful, kind, and hard working. The longer I am here the more I believe in the values that are being taught.

Working with the students here at W.H.A. makes my heart sing. They are growing into wonderful young people and I am proud to know.

Mrs. Sayler

Read-a-thon!

It's "Read-a-thon" time!! This event is something our school looks forward to each year. And this year it's just for fun and prizes! Each grade group will have different minute challenges. It goes for one month: Feb. 23rd-March 20th. Find some good books, set aside some time, and let's get ready to READ! READ! READ!

GET YOUR TUITION COVERED
AT WHA FOR NEXT YEAR!

=Utah education fits all=
