ENROLLMENT POLICY: Please read and initial the following items.

Items with an asterisk * are required.

	*I have attached either my child's immunization records, or the certificate of immunization exemption, as required by state law.
	*I understand and agree to follow the WHA uniform policy which I have received.
	*I acknowledge and commit to maintain the standard in the WHA Honor Code which I have received.
	*I understand that the WHA playgrounds are not supervised before or after school. I hold WHA harmless for any injuries my student may incur during these unsupervised times.
	* I release and hold harmless White House Academy, its employees, students, and agents from any and all liability for any loss, damage, or injury or expense that I or my next of kin may suffer as a result of participating in this school, including, but not limited to injury, acts of God, sickness, transportation, scheduling, government restrictions, and any and all expenses I may incur while participating with this school. I understand that this agreement cannot be modified except in writing.
	* I know that all students' first 30 days are a probationary period. If there are exceptional concerns in performance or behavior, administration will hold a meeting with parents to determine whether the student will be allowed to continue, and if so, under what conditions. If a parent withdraws their child, they are responsible to pay tuition for the days in which they attend.
	*I understand that students must keep all electronic devices, or other non-school personal property, in their backpack during school hours, except during specific approved times, or it will be confiscated until after school.
	* I understand that the registration fees and books/materials fees are not refundable. I understand that if my student is withdrawn from attendance at WHA either voluntarily or being dismissed, that the tuition money for the time enrolled will not be refunded.
	*My child will only bring water for drink. Food or snacks will only be eaten during specified lunchtime, snack-time, or designated celebrations, unless specific and approved medical exceptions are made by administration.
	I give WHA permission to provide minor first-aid treatment to my student, administer acetaminophen/ibuprofen (with your consent), and transport my student to ARMC/UBMC to receive care for any serious medical conditions (with your consent). Medication will be administered by WHA staff if we have received a current and written/signed request from the parent/guardian, and/or physician.
	I give consent to allow my child to have supervised use of the internet.
	I give my permission to WHA to use my child's image and work in school promotions or displays in print and digitally.
	I give WHA permission to share my contact information with other parents for the purpose of activities and carpools.

FINANCIAL AGREEMENT

There are three costs associated with each student's enrolment. Each student is charged 1) a registration fee, 2) a books and materials fee, and 3) tuition. The parent or guardian is responsible for the timely payment of each of these. The registration fee and books fees are due at the time of registration, and are required in order to reserve the student's seat. The tuition is due before the student will be admitted to class. If paying monthly, each payment is assessed before the first of the month.

- The nonrefundable registration fee and book fees are due at registration.
- Tuition will be paid in full up front, or with 9 monthly automatic electronic funds transfers (August through April). If paying monthly, tuition is processed before the 1st of each month.
- Students joining mid-year will pay a pro-rated amount according to which month they join.
- Any payments returned to the school for insufficient funds must be replaced with a cashier's check, money order, or cash. A \$25 charge, in addition to any bank-imposed charges, will be incurred for each returned transaction.
- If an account becomes delinquent by two months, the student(s) may be dismissed.
- Scholarships or grants may be used to cover any of these costs, as available. It is still the responsibility of the parent or guardian to make sure all payments are received by White House Academy.
- All accounts must be current and outstanding fees must be paid in full before returning students may be enrolled for the next academic year. Report cards and school records will not be released if account is past due or if school property has not been returned.

I agree to pay White House Academy for the 2024/2025 school year: \$ _____ for the annual tuition OR \$ _____ monthly payment for tuition, the \$ _____ required registration fee, and the \$ _____ required book fee.
